

# 10 INCH Hibrid Pillow Top Mattress

---

## Product info

The innerspring mattress gives you the best support for your body to feel pressure relief. It's made of innerspring and foam layer. This is a good combination, as the innerspring provides support and the foam gives you the desired comfort during the night.

It also limits the motion disturbance, so you can enjoy a long rest, when sleeping with your partner. The breathable fabric it's a great feature as it helps you feel cooler during the night.

And the quilted comfort foam makes you feel cozy during your sleep.
